

# An international nature trail through the Lusatian Mountains and the Zittau Mountains

## Route description

A fantastic and long walk for those who are fond of hiking

This trail will take you across protected landscape areas of the Lusatian Mountains and the Zittau Mountains. Take a break in attractive places such as Bílé kameny by Jítrava, Vysoká Hill with Koží hřbety or the Horní skály, Vraní skály and Popova skála rock formations. As far as the German part of the trail is concerned, Töpfer hill, the Kleine Felsengasse and Grosse Felsengasse rock ravines and the Scharfstein vanatage point a worthy of a visit.
