

Jihlava and Zaječí skok

Route description

Allow yourself to be enchanted by the unique allure of Jihlava

As a former royal city, Jihlava boasts an entire range of unique historical buildings and monuments. Lovers of history and culture will enjoy the historical centre, and will certainly be delighted to visit the Oblastní galerie Vysočiny (Vysočina Regional Gallery), the Vysočina Museum Jihlava, or the Gustav Mahler House. Families with children can head to the Zoologická zahrada (zoological garden), which is considered to be one of the most beautiful in the country, to the new Rodinný park Robinson family park, or the Vodní ráj water paradise. Jihlava is also home to the second-largest system of underground corridors in the country. You can enjoy beautiful views of the city and its surroundings from the Gate of the Holy Mother lookout tower, or from the tower of the Church of St James the Greater. In the picturesque valley of the Jihlava River, where you can explore the rock formations of Zaječí skok, the pastures at Rantířov, and the St John the Baptist Chapel atop a hillock in Plandry.
